Aquapharm Chemicals Pvt Ltd

Requirement:

• Requirement of Centralized Time Attendance management & Door Access Control with Fire panel integration
• Locations: Pune (HO), R & D Bhosari, Pirangut factory & Mahad factory

Solution:

• Matrix web based centralized Full-fledged Time attendance software to collect real time data from Fingerprint authentication based Time attendance hardware installed at all the four locations.

• Being a web based software, other locations can also have access to the software with access rights & individual logins.
• Door Access Control with Fire Panel integration provided at PUNE (HO) & R&D Bhosari
